

# JOSEPH BURGESS

---

JB is an artist born in Portland Oregon, currently living and working in Brisbane, Australia. Their multidisciplinary practice includes sound engineering, large scale fabrication, and interactive media. Burgess operates as Unregistered Master Builder as a way to encompass the plurality of their skills, experience, and creative output. Joseph has developed large scale public projects and installations for Vivid, Curiosity and Woodford Folk Festival. Joseph freelances as a carpet maker in the National Rug Association and is a director of KEPK, Brisbane.
